## **Executive Summary:**

On July 26, 2017, the Delaware Interactive Daily Fantasy Contests Act was signed into law by Governor John Carney. The Act permits Daily Fantasy Sports participants, in Delaware, to wager on the performance of players the participant selected for their roster based on the participant's skill and knowledge. The Delaware Division of Gaming Enforcement has the regulatory oversight to ensure the integrity, accountability, and public trust of these contests.

Amendments to the Act were approved on June 26, 2019 to require certain employees of registered operators involved in the daily management of the daily fantasy sports to undergo criminal background checks. ## **Approved Registered Operators:**

The Division of Gaming Enforcement completed suitability backgrounds on the following Daily Fantasy Sports Operators, and they have been approved for operations in Delaware. The registration dates are valid if the annual \$50,000 registration fee and quarterly State taxes have been paid.

On January 1, 2020, StarStreet LLC (DBA) Draft ceased their fantasy sports contest operations. The Draft users were offered the chance to transfer their account balances to FanDuel if they had one or create a new account for that purpose.
